The Barn Hunt website has an awesome feature... it will create and fill out an entry form for

you. We encourage you to make use of this feature. (no errors because of hard to read entry forms!)

It isn't an online entry. It just creates your form and calculates your entry. You just print, sign and mail it!

- 1.) Go to barnhunt.com and Go to the **manage your dog** page, select the trial you wish to enter. (If the trial isn't open yet it will tell you the date it opens, if it is open, there will be a link that says create entry)

2.) Click Create Entry 3.) Select your dog <if you have more than one registered with Barn hunt>, then select the classes and trials, you wish to enter, at the bottom on the page there is a check box saying you understand you must print and mail the forms... CHECK that to make the print button functional. 4.) Click the print and it will create an entry form for each dog. Sign EACH one and mailthere you go! (you MUST PRINT the actual entry form!) **We strongly suggest you make use of this feature; it will make data entry much easier and ensures your results are recorded more quickly with Barn Hunt Association!**
